

CHSS COACHES “POINT OF EMPHASIS”

SECTION I: Overview:

Thank you for volunteering your time!

You are the teams' #1 mentor and are in a unique position to create a great soccer experience for your players and parents. As such, it is important that all our coaches provide positive instruction and encouragement to all players where they can learn the great game from both a physical (skills) and mental (focus, attitude, teamwork, sportsmanship) perspective. It is also important to maintain an open and friendly dialogue with your parents where you can address issues as they arise.
