

Incident Report <u>US Lacrosse Insurance Program</u>

It is important to have written incident reports on file regarding injuries, property damage or other incidents that may result in a claim against your team, league and US Lacrosse. Many such claims allege negligence, and written reports prepared immediately after an incident occurs are invaluable in defending these types of claims. In the event of a serious injury, it is important to ask for written statements from witnesses and individuals actually involved in the incident. One copy of the report should be sent to Bollinger Insurance, and the league office should keep a copy of the report for their own records, since many lawsuits are filed long after the injury occurs.

Attach any additional information that might be helpful in defense of a future claim, such as: police report, doctor's statement, pre-game field inspection report, routing facility maintenance report, photos taken at the time of the incident, and written statements of witnesses.

This report is to be completed by:

Coach or Official For incidents occurring during regular, pre-season or post-season team

activities.

Director or Sponsor For incidents occurring during tournament or special events.

Director or Coach For incidents occurring during camps or clinics.
